MSRP:	7,95 €

Keep things separated and/or dry and clean – when you need to protect your gear from dirt and water these light roll top sacks are the perfect choice. They feature a special coated material and taped seams to withstand heavy showers – but, of course, no diving action.

SUITABLE FOR

 Trekking

 Hiking

MATERIAL

70D PA Carbonite Ripstop

Comparable to the 70 "Deuter-Taffeta-Nylon". Taffeta Carbonite however, is highly waterproof due to the special carbonite PU coating. This together with it's Ripstop weave for increased tear resistance, makes it ideal for our waterproof accessories.
