<b>Weight (without trip unit):</b>	30 g
<b>Volume:</b>	2 litres
<b>Size:</b>	24 / 15 / 5 (H x W x D) cm
<b>MSRP:</b>	10,95 €

These new small, universal zipped bags are made of super lightweight material and carry – depending on the size – wind protection, arm and leg warmers or camera equipment.

## MATERIAL

### 70D PA Ripstop

This fine nylon material with a 70D fibre is highly abrasion resistant and offers great tear strength. It is also a very lightweight and packable material and therefore ideal for weight conscious products. We use it primarily for our accessories such as storage and pack sacks. It features a PU coating and offers a water protection of 1.000mm WS.
