

HELION 60

Colour:	black-ocean
Article ID:	35842-7302
Weight:	3400 g
Volume:	60 litres
Size:	70 / 38 / 33 (H x W x D) cm
MSRP:	249,95 €

The multifunctional Helion ensures effortless manoeuvring, stores the content safely and the solid construction guarantees a safe stand. Plus: it is easily converted into a backpack. A zipped cover hides the smart carrying system on the back.

HIGHLIGHTS OF HELION 60

Valuables Pocket

special pocket on the inside of the pack to keep valuable items safe

Zip Lock Anchors

anchors on the zips make it possible to use a TSA-Lock while travelling

Multi grab handles

3 reinforced comfort handles: 2-tier telescopic handle with twin poles at the top, at the side for negotiating stairs and at the front and bottom for grabbing and lifting.

Breathable Foam Back

Breathable Foam Back minimizes perspiration

Stable base

The strengthened base provides a secure stand for the pack.

Front access

Access to bottom and main compartment from the outside without the need to open it fully.

Replaceable wheels

Inner and outer mounted, large profile wheels with quality bearings are quiet and are extremely easy to replace.

Padded Hip Belt

An additional padding on the hip belt provides more carrying comfort.

Sternum Strap

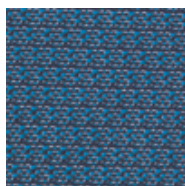

The sternum strap stabilizes the pack on the shoulders.

SUITABLE FOR

 Travelling

 City

MATERIAL

420D PA

Special high density 420 denier polyamide offers high abrasion resistance with its very tight weave. This top quality fabric is used for Guide backpacks and Travel range models. PU coating.

1000D PA

A Polyamide-fabric that is extremely abrasion and tear resistant. For all larger backpacks this is used for the bottom panel. It has a thread of 1000 den and a thick PU coating on the inside.
