These versatile sleeping bags with a synthetic fibre filling are easy-care and durable. Campers and anyone who has to sleep on a coach will be especially snug thanks to the cosy inner lining with cotton and the technical low-noise outer covering. The Orbit +5° model is the perfect lightweight sleeping bag for summer. All models can be zipped together with the two-way zips on both sides.

HIGHLIGHTS OF ORBIT +5°

SL

The shorter cut SL Women's Fit models are perfect for women up to 175 cm.

Compatible

SOFT BODY-WARMER-FLEECE INSERTS in particularly sensitive areas in SL sleeping bags (waist & foot section) for added warmth and comfort.

1-Layer Construction

The outer shell material is sewn to the upper layer of Polyester fleece. Since this construction can lead to cold spots, we only use it in summer sleeping bags.

Inside Pocket

internal zip pocket for valuables

Ergofoot

RAISED FOOT BOX designed with the natural feet position in mind, it provides additional comfort and freedom of movement.

Bodywarmer Microfleece

SOFT BODY-WARMER-FLEECE INSERTS in particularly sensitive areas in SL sleeping bags (waist & foot section) for added warmth and comfort.

PFC Free

High-performance materials with a PFC-free coating to resist water and dirt
