

TEST INSTRUCTION ON HOW TO CHECK YOUR KID COMFORT

1. Kid Carrier item flat on a table
2. Remove/open hinge cover for inspection
3. Open & close the „stand“ initially with one repetition
4. Inspection for breakages at hinge
5. Repeat open close action for 9 more repetitions - *The break or cracks occur when the hinge is first opened. However, the test should still be carried out a total of 10 times.*
6. Inspection for breakages at hinge
